

**Sustaining the Dialogue**  
**Father Richard Fragomeni**  
**October 22, System P.D. Day 2004**

Please use the following quotations at Staff Meetings, Early Release Days, Staff Day of Prayer, School Council Meetings, to sustain the dialogue.

"When we are anointed and illuminated by the Spirit, then everything begins to be seen in a different light and our values change."

"In the spirit, we recognize we are part of a larger creation."

"We are called to give witness to the power of the Spirit in a degenerate world."

"Do it just. Do it justly. Don't just do it. Do it compassionately, mercifully the best you can."

"Our lives can become filled with busyness and activities and we can forget to listen to the call from God, who is so near. When we recognize the closeness of God, we become like God. We are changed into generous people, into the image and likeness of Jesus."

"Imagine a world where Christ lives in us, when we end terrorism and war, where we will all be one, where the Spirit will cause nations to seek peace and the lion to lie down with the lamb. We will keep celebrating (the Eucharist) until we get it right."

"What does it profit if we gain the whole world and lose our souls?"

"You are an employee of the Gospel and not just an employee of a school district."
