BOARD

Registering for Kindergarten

When to Register

Registration dates for Junior Kindergarten are announced each year through our website, advertising, school newsletters and church bulletins.

Our schools usually designate a specific time to focus on Kindergarten registration, but they will accept registrations at any time during the school year.

Your Tax Support Helps

All parents are asked to support Catholic education by completing an Application for Direction of School Support Form if their tax assessment form shows they currently support the public school system.

At registration time the principal will determine whether the family is eligible to designate school support to the London District Catholic School Board. In order to do so, one parent must be a Roman Catholic as recognized by the Education Act and are required to allocate their residential education taxes to support the School Board.

What You Need to Register Your Child

Proof of Age

Children who reach 4 years of age by December 31 of any calendar year will be eligible for admission to Junior Kindergarten in September in that calendar year.

Children who reach 5 years of age by December 31 in any calendar year will be eligible for admission to Kindergarten in September in that calendar year.

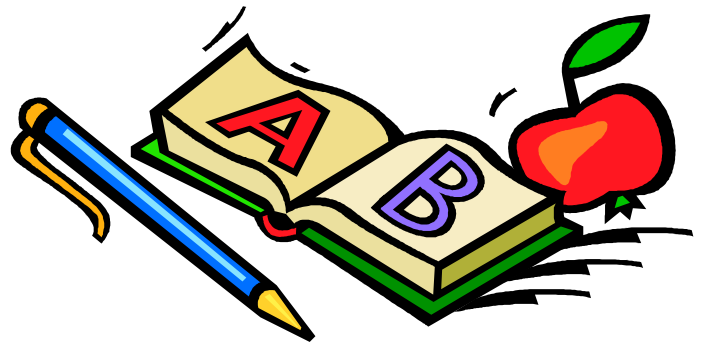

For the child to qualify for admission, parents must present proof of the child's age at the time of registration. A [birth certificate](#) is appropriate proof of age.

Proof of Baptism

To register your child in our Catholic elementary schools for the first time, a [Roman Catholic Baptismal Certificate](#) must be provided.

Proof of Address

Parents are required to present at least two pieces of personal identification to confirm residency.
