

HISTORICAL TALK

Work in your groups of three to discuss what you have researched so far and begin planning for the dinner party.

- Reveal only to this group which character you have chosen.
- Take turns sharing what information you have gathered.
- Give feedback to your group members:
 - ✓ What did you like?
 - ✓ What questions haven't been answered yet about the character?
- Discuss props and costumes.
- Discuss possible ways to begin the dinner party: What will be the first thing you say when you arrive at the dinner party? What will be the first thing you say once you are seated at the dinner table?
- Discuss how "authentic" your information is: Would this be something your character would say?
- Discuss the order the information could be revealed.

Remember to include:

- ✓ Where you came from originally?
- ✓ Where you were born? When you were born?
- ✓ What some of your positive qualities are?
- ✓ What your greatest accomplishments are?
- ✓ What motivated you to achieve success?
- ✓ Who influenced you in your life? How they influenced you?
- ✓ What challenges you have faced? How you overcame them?

Be sure to decide:

- ✓ What important biographical information you should share?
