

Task Sheet #4 – Flight Plans for Five Commercial Aircraft Bound for Toronto

Name: _____ **Date:** _____

You have passed your training exercises and are now ready to prepare flight plans for five commercial air craft heading to Pearson International Airport in Toronto.

Complete the flight plans separately and **submit** them to your teacher.

Your teacher will tell you what atlas maps to use in completing this exercise. **You will need to visit this web site to find the maximum air speeds of the types of in coming aircraft:**
