It is shocking how quickly a child can be contacted, lured & victimized over the internet!

For Parents of Woodstock & Oxford County:

Find out what **YOU** need to know about internet luring, pornography, and how to keep your child safe; especially during the summer months when many children have unsupervised access to computers.

GOFF HALL,

Woodstock Community Complex

Guest Speakers:

Jody Hays, Provincial Child Pornography Investigator

Michael Carnegie, Barrister

**ADMISSION:
FREE**
(canned goods accepted)
