

[The Future Of Learning Conference](#)
The First Annual Premier Learning Conference
April 6th & 7th, 2010 -- London, Ontario
The Four Points Sheraton
London, Ontario
1150 Wellington Road South

Attention teachers, educational assistants, administrators and parents

The Future Of Learning Has Arrived! In their continued quest for education excellence Premier Assistive Canada is pleased to present their first annual learning conference.

The Future of Learning has been designed for teachers by teachers. With topics ranging from "Implementing Premier in the Curriculum Using the Smart Board" to "Registering for Electronic Text", the Future of Learning conference is sure to inspire excellence in the easy and seamless integration of technology into the classroom.

A special presentation by Dr. Stephanie Timmer, the creative force behind the technology of Premier learning tools will detail future directions of Premier learning technology and tools. An impressive list of speakers and presenters is sure to enlighten and educate.

For more information or to reserve your place, please call us at 902-482-4680.

Remember to check www.readingmadeeasy.ca for more information..

On-line registration is now open.
