

School Bus Delays and Cancellations

Bus number 2 is our county bus. When the buses are late or cancelled this will most likely be the only bus that will be affected.

If you drive your child(ren) to school due to a bus cancellation, please be aware that the bus WILL NOT be running in the afternoon and you will have to have arrangements in place to get your child(ren) home. The school has a limited number of phone lines and trying to find alternate transportation for students ties up these lines.

For information regarding bus delays or cancellations please check any of the following:
