Update # 34

## Update for April 22/10

### Smart Board Update...

We are happy to share with you that we now have a total of 10 Smart Boards in our school!! All receiving students and teachers of our three newest boards are very excited to say the least. The best news is, one of these boards has been installed in the library so that all teachers and students have access to the use of a Smart Board! A **big** thanks to our generous donors.

In the interest of equity across the classes, we are now considering how we might move forward with acquiring more Smart Boards. This will be an enormous capital expense and I know you can appreciate that

it will take some planning and time.

### Safety Alert!

1) Please drop off your children **only** in the "Kiss and Ride" driveway at the front of the school. The bus bay is for buses only! We thank you for your attention to this important routine.

2) When your child is leaving the school for an appointment or because they are ill, please be sure to come into the office and sign them out. The Sign In/Out book is on the tall counter on the right in the office.

Thanks!

### Track & Field

Students put forth their best athletic efforts today for our annual try outs for track and field. It was a great day and all should be proud of their efforts and the support students showed for each other was admirable! We will be attending the LDSCSB meet on Wednesday June 2nd.

Way to go team!!

### Secretaries Week

Heartfelt thanks to our wonderful secretaries this week! Mrs. Peaker and Mrs. Kilroy do such a wonderful job of caring for our students and keeping the school running smoothly. We could not do it without you!!!

### Spring Flowers

Do be sure to have a look at the flyer regarding spring flowers from the School Council. Orders are due Friday April 30th.

### PD Day

A reminder that tomorrow, April 23rd is a day of professional learning for our staff. Enjoy the sunshine and we will see you on Monday!
