our individual gifts.

Parking Lot Update

Your help is needed in keeping our emergency areas clear of traffic and keeping the area safe for students before and after school.

- 1) There is no parking in the fire lane at the front of the school at any time. Parked cars create obstacles for drivers trying to pull up and drop off children in the morning.
- 2) If the parking lot is full, please park on the street, NOT in the driveway.

- 3) The bus bay is to be kept clear of cars at all times. This area is for busses only.
- 4) Although children are not permitted to be in the parking lot without an adult, please be mindful that this is a school and be very cautious when backing out of parking spots.
- 5) Please do not sit in your car with the car running. Never leave your running car unattended.

Thank you most kindly for your support!

Please review **school yard safety** with your children. Our safety rules are simple:

- Climber is closed until notice given in spring.
- Snow stays on the ground i.e. no throwing snow.
- Stay off the ice i.e. no sliding.

Thanks for helping us to keep students safe.
