Update # 26

Update for Feb. 8, 2010

Boundary Change Public Meeting Reminder— Tuesday Feb. 9, 2010

Just a reminder that tomorrow night is the meeting for the Northwest London ARAC (Accommodation Review Advisory Committee). The purpose of this meeting is for the committee to present the Preliminary Administrative Report which outlines boundary change options for the redirection of St. Paul students to attend St. Catherine of Siena and St. Marguerite effective September 2010. A copy of the report is available on the Board website (www.ldcsb.on.ca.) Parents should check

this website for periodic updates, including ARAC meeting agendas, minutes and schedule changes.

The location of this meeting is St. Thomas Aquinas Secondary School located at 136 Oxford Street West, London. The meeting will begin at 7:00 in the cafetorium.

Family Day—Mon. Feb. 15/10

Next Monday is Family Day—there is no school for students that day. Enjoy the day with your family and friends !

Heart Healthy Day—Feb. 12/10

Friday is Heart Healthy Day at St. Catherine of Siena Catholic School. Sponsored by our Healthy School Committee, students are asked to wear red or white and bring a red fruit or vegetable for snack that day. We would also like to support the Heart and Stroke foundation. Each student is asked to bring in a loonie as a donation towards the Heart and Stroke foundation in honour of all of our family members that have been afflicted with health issues dealing with heart and stroke.

This is also our annual Valentines day cake walk fundraiser. Our School

Council appreciates the support that is given to this event each year. As we strive to teach our children healthy eating habits throughout the year, we recognize that there are special occasions that arise through the year where there may be treats available. We will encourage our students to take any winnings from our Cake Walk event home to be shared with family.

Thank you for your anticipated support in these events on February 12.
