Cold Weather Procedures

Students are reminded to dress appropriately for the weather. Winter coats, hats, scarves, mittens and boots are needed for outside recess periods. Students are reminded that they must wear these items at recess and in particular hats are to be worn and not to be used as an item of play.

Parents are reminded to check clothing for drawstrings and toggles which can catch on fences or playground equipment.

All students are expected to be outside for recess and lunch unless otherwise directed by the office. Students returning to school fol-

lowing illness are expected to go outside.

We monitor the temperatures and the wind chill throughout the winter to determine outdoor recess and or the length of time outside. Our guidelines are usually –20 and colder inside and –15 to –19 shorter periods of time outside—usually 15 minutes.

On really cold days this is done prior to each recess and lunch time and a log is kept in the office.

PD Day Reminder

Monday February 1 is a PD day for all students.
