Mission Statement

With a pioneering spirit we, the Community of St. Catherine of Siena, are dedicated to fostering a learning environment that encourages academic excellence, faith expression, leadership and the celebration of our individual gifts.

St. Catherine of Siena Catholic School

Happy Summer !

Update #43

Update for June 29, 2010

Summer vacation is here ! But before we take our leave for the summer, I would like to thank everyone for their tremendous support, goodwill and friendship this year. We are so fortunate to have so many people willing to give of their time to make this school year another wonderful experience for our students. Strong parent involvement, a positive spirit amongst the staff and students, a very strong and supportive Parish

Team at St. Michaels and our many volunteers who are only a phone call away. Our successes this year are the result of everyone working together for our kids ! It has been a great year at St. Catherine of Siena.

On behalf of everyone at St. Catherine of Siena, I wish you a happy, safe and relaxing summer with many opportunities together with family and friends. See you in September !

Farewell to Our Grade 8's

Congratulations to our Grade 8 graduates and their families. Our Mass and ceremony was celebrated last Monday and it was a true celebration of the gifts and talents of all of our Grade 8 students.

Many thanks to everyone who made the evening possible. To our Graduation committee, the parents who came out to help decorate the church hall, to those parents who were able to pick up the many items required to decorate the church hall and to those parents of Grade 7 students who assisted in the reception. We could not have done this without the help and

support of everyone involved.

To our Grads, have a great summer and come back and visit!

Fund Raising Report

Thanks to all families who generously donated to the jar raffle. We had a total of 65 amazing jars to raffle and we made \$542.00. We also made \$375.00 with the extra pizza day. As noted in earlier communications, this money is going to be directed to the purchase of a class set of clickers for smart board use.

The New School Year

The 2010—2011 school year begins Tuesday September 7 at 8:50 a.m. Students will gather in the school yard according to grade level and await the classroom teachers who will direct them to their new room to begin the new school year.

Our numbers are growing and we anticipate enrolment of well over 500 students next year.

Registration Information for September 2010

Please note that new registrations for September 2010 for those families moving into our area over the summer will begin Tuesday August 31. Registration hours are from 9:30 a.m. to 11:00 a.m. and from 1:00—3:00p.m. at St. Catherine of Siena School.

Moving ?

Please let the office know if you are planning on moving over the summer. Call the office at 519-675-4437 and leave a message on the answering machine. If you are moving within the boundary areas of the school, please let the office know so that appropriate paperwork for the changes can be completed.

Thank you for your support and co-operation with this. This is important because we need to know our enrolment numbers.

Help.... Lost Books and Lost and Found Items

Every year we lose a number of textbooks and library books. These losses can add up to a significant amount of money from our school budget. Please check at home for any books that should be returned to the school.

As well, we have many items in our lost and found. Please check for any items that you might be missing.
