Mission Statement

With a pioneering spirit we, the Community of St. Catherine of Siena, are dedicated to fostering a learning environment that encourages academic excellence, faith expression, leadership and the celebration of

our individual gifts.

Catholic Education Week

This year's Catholic Education Week celebrates our schools with the theme Catholic Education: Rejoicing in Hope. The scriptural text comes from St. Paul's letter to the Philippians where he writes "Rejoice in the Lord always... and the God of peace will be with you." (Phil 4:4,9). We have accomplished many wonderful things this year. Our latest pathway has focused on Hope.

Teachers have integrated the concept of hope throughout the curriculum as an anchor concept. The students

have spent the last four weeks learning what hope really means for them and our world through language, media, social studies, drama, art and religion activities. Many signs and symbols of their work and their understanding of what hope is can be seen popping up throughout the school.

As Christians, we live in hope and bring hope to the world in the message of Jesus.

Healthy Meal Cookbook

Our Healthy School Committee has been very busy promoting a healthy lifestyle for our students at Siena.

Our latest project is to collect enough ideas and recipes for a Healthy Meal cookbook. The cookbook will provide you with exciting new ideas for healthy meals for your family.

We are asking families to please submit their favourite healthy meal—include the menu and any recipes to the school by Friday May 7/10.

Please keep in mind that we do have students with food allergies: peanut/nut free menus/recipes would be ap-

preciated. We are very excited about this project and look forward to sending home our St. Catherine of Siena Healthy Meal Cookbook.

Seussical Jr Week !!

Tickets are still available for the evening performances on May 4, 5 and 6th. at 7:00 p.m. Come out and join us for a magical evening. We have over 150 students involved in this play and the excitement is in the air!

Thank you to all involved for making this a great success for our school.
