### **ReForest London Project**

On Wednesday October 21, 2009, we are pleased to welcome back ReForest London to our school to help students plant shrubs around our new Primary reading centre located in the Primary playground. Similar to the centre on the Junior Intermediate side of the play ground, this centre will be an area for the children to sit, chat or read.

We are looking for volunteers throughout the day to assist the chil-

dren in the planting activities. A knowledge of gardening is not necessary as staff from ReForest London will be working with the children. If you are able to help for a part of the day or all of the day, please contact the school at 675-4437.

Please send your child to school on Wednesday with a change of clothes and gardening gloves if you have them !

### **Volunteers Needed**

Mrs. Charette is looking for volunteers to help with the reading room this year. This is an opportunity to get involved in the school and help youngsters improve their reading skills. Mrs. Charette does provide a training program for our volunteers.

Please contact Mrs. Charette at the school (675-4437) if you can help us out with this project.
