Mrs. C. Anthony

**Mission Statement**  
With a pioneering spirit we, the Community of St. Catherine of Siena, are dedicated to fostering a learning environment that encourages academic excellence, faith expression, leadership and the celebration of

our individual gifts.

### Halloween Plans

Friday will be a spooky day at St. Catherine of Siena as we celebrate Halloween! Our students will dance the day away at our annual Halloween dance. The schedule for our dance is as follows:

K-Gr. 3 dance from 9:00 to 10:15 a.m.

Gr. 4 - 6 dance from 10:35 to 11:50

Gr. 7- 8 dance in the p.m.

Students in Gr. 1 - 6 may wish to dance in costume during their scheduled dance in the gym. Otherwise

they may dress in orange and black for the rest of the day. Students in Kindergarten and Gr. 7 and Gr. 8 have an orange and black off uniform day.

Costumes must be appropriate for a Catholic school. Themes depicting 'blood, guts and gore' are not appropriate for school. Masks are not to be brought to school for safety reasons as well as to ensure that they are in good shape for Saturday's festivities. Items such as replicas of guns, knives and swords are also not appropriate for school

### School Play Planning

Every year we have had a major school production in April. This type of event requires a great deal of planning and preparation in the areas of costume production and set construction. This usually begins after Christmas depending on the needs for the play. In order for this to be a success this year, we need your help. Please fill in the form in the next column and return to your child's teacher. Thank you for your support.

### School Play Planning Form

Yes, I am available to support the play this year:

Name: \_\_\_\_\_

Area of Interest (costume design, set design, stage set up and take down )

Telephone Number: \_\_\_\_\_

Please return this to your child's teacher. Thank you for your support.

### **The Big Crunch - Tomorrow !**

Our Healthy School Committee is kicking off their year of events by inviting us to participate in the Big Crunch tomorrow morning. Students and staff are asked to bring an apple to school that day and during our London Knights assembly, we are going to ask the players to lead us in the countdown to the big crunch !

In support of the Big Crunch, students are asked to wear red tomorrow.

Thank you to our committee and to everyone for their support of this nutritious and fun project !

### **Construction on Quarrier Road**

It would appear that they are beginning the construction of a new cul de sac on Quarrier Road. Traffic in and out of the school should not be affected by this construction. However, parents may wish to enter the school from the Pelkey Road side of Quarrier Road in order to avoid the construction at the other end of Quarrier. How much disruption remains to be seen as the construction proceeds. The city has indicated that there will be little disruption to the traffic flow at the school.
