

## Jean Vanier Catholic School Daily Milk Program

**Does your child eat lunch at school?  
Do you want an easy way to ensure they get a fresh, nutritious drink?**

Dear Parents,

On Tuesday, October 13th, the Milk Program at Jean Vanier Catholic School will begin once again. This is a very popular program and we wish to continue to offer nutritious milk to your children each day.

Milk will be delivered on a daily basis to your child in the classroom. We believe that milk is a necessity for the nutrition for children; therefore, the service is provided as part of our commitment to safe and healthy schools. On Wednesday September 30<sup>th</sup> we celebrate World School Milk Day. All students will be given the opportunity to enjoy a free carton of milk.

The order forms for the program will be administered twice throughout the school year. Please note that milk will only be offered through the pre-payment method. Therefore, we will not offer daily milk sales.

You are welcome to order milk for each term or the entire school year by submitting the attached order form with your payment. Full year payments can be made together on one cheque or with a second post-dated cheque for February. Please note that our Thursday Lunch program is administered separately. **Please do not combine payments for Thursday lunch and milk.**

Our goal is to nurture a healthy school environment where children are active and eating well. We look forward to continuing this service to the families of our community. Please find enclosed the order form your child's milk program.

Sincerely,

D. Renaud-Bunda  
Milk program coordinator
